I give permission for any necessary medical or parasite treatment to be administered during my absence and realise that medical treatment may not be with the practice that I normally use. I accept that I will be responsible for any costs. If I am boarding more than one cat with you I give permission for my cats to share living quarters with each other (and also permission for them to be separated if this should be necessary.) I give permission for Longfield to provide toys and scratching posts and for members of staff to interact with my pet.

I agree to board my animal at the above cattery on the understanding that although every possible care and attention will be given, Longfield Boarding Cattery can accept no liability for loss, either from illness or from other cause, unless through proven negligence on the part of Longfield Boarding Cattery or its employees.

I confirm the above for this and any future visits and undertake to inform Longfield of any changes.
